

knowledge about the electronic world and even fix some common problems. A few of the topics addressed include computer viruses, home networking and security, home theater arrangement, HDTV, and basic troubleshooting steps.

Save a spot on your bookshelf for Home Remedies, and enjoy the pleasure of an enjoyable read filled with valuable information. The only bad part about it, it that it comes to an end.

About the authors:

David Bingham and Kevin McGavin share over 35 years of experience as electronic technicians. Sony, Dell, HP, RCA, and other companies have utilized the services of the Our Place founders.

HOME REMEDIES: FROM OUR PLACE TO YOURS D. Bingham

Home Remedies:
From Our Place to Yours

Originally started as a home business in the early 2000's, Our Place is a thriving culture of computer and electronic knowledge in southeast Idaho. As stated in the company's motto, "Professional Service, Hometown Feel," Our Place is known for its level of customer service mixed with corporate perfection.

In yet another way to provide further customer support, Our Place has created a book of home remedies geared to help the average person gain

Computer & Electronics Repair
