February 27th — Seattle, WA

March 7th — Portland, OR

CSS Master Class is officially hitting the road! Beginning in Seattle and moving on to Portland, this educational seminar will teach you how to use CSS for your entire site layout. If you've only used CSS to format text, join us for this information-packed day. You'll walk away with great new skills that will help your site rank higher in search engines. You'll also be able to use CSS for innovative design techniques, including multi-column layout (best practices), iframes, pop-ups, rounded corner DIVs, and much, much more.

wasting time- Invest in Corporate Training

In addition to scheduled classes, we provide custom corporate training, on-site, off-site, and/or via the web.

Corporate training is a targeted approach that allows your team to learn exactly what they need to know. The breadth and depth of eVolve trainers' experience translates into focused, effective training that yields an immediate and significant increase in your group's production efficiency.

Targeted Solution

Because we customize the curricula and content of each corporate training program, you learn exactly what you need to know. We provide training at all levels, and design each curriculum according to your group's current skills and learning goals.

You'll return to work with newly honed skills, ready to work on your graphics projects with greater ease. You'll also receive comprehensive training materials and ongoing post-training support.

Whether you're a 3-person collaborative or a Fortune 500 department, you'll get the same top-notch training from our knowledgeable, talented instructors. Our many happy clients can attest to that.
